4:10 PM – 4:30 PM

The Digital OODA Loop (Unlock, Analyze, Act, Collaborate)

Michael Parker, Ph.D.

Public Sector Strategy and Business Development
Salesforce

Abstract:

This session will explore lessons learned and best practices from digital transformation journeys and how the Digital OODA Loop can help reduce technical debt, enhance legacy systems and accelerate apps rationalization. Learn about the four key abilities to deliver digital transformation that help provide real-time, all source data insights to gain decision dominance and achieve mission success now.
