Vista Convention Services shall not be responsible for loss, theft, or disappearance of exhibitor's material after same has been delivered to exhibitor's booth.

Vista Convention Services shall not be responsible for loss, theft, or disappearance of materials before they are picked up from exhibitor's booth for reloading after the show. Bill of lading covering outgoing shipments, which are furnished by *Vista Convention Services* to exhibitor, will be checked at time of actual pick up from booth and corrections made where discrepancies occur.

Vista Convention Services shall not be responsible for any loss, damage, or delay due to fire, Acts of God, strikes, lock-outs or work stoppages of any kind or to any causes beyond its control.

Vista Convention Services' liability shall be limited to the physical loss or damage to the specific article which is lost or damaged, and in any event, *Vista Convention Services'* maximum liability shall be limited to \$.30 per pound per article with a maximum liability of \$50.00 per item, or \$1,000.00 per shipment; whichever is less.

Vista Convention Services shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's materials which may make it impossible or impractical to exhibit same.

The consignment or delivery of a shipment to *Vista Convention Services* by an exhibitor, or by any shipper to or on behalf of the exhibitor, shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth.

Rates are based on incoming weight only. All weights are rounded off to the next 100 weight. Each shipment received is considered separately. Freight handling charges are the responsibility of the exhibitor.

Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.

Empty container labels will be available at the Service Desk. Affixing the labels is the sole responsibility of the exhibitor or his representative. *Vista* assumes no responsibility for removal of containers with old Empty labels, mislabeled, or valuables stored inside containers while containers are in storage.

Outbound shipping labels and bills of lading will be available at the Service Desk. Exhibitor or his/her representative must pack and label their exhibit material and turn in bill of lading for each shipment at the Service Desk before leaving the show. *Vista* will route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick up by the removal date of the show, *Vista* reserves the right to route exhibit material by an alternate carrier. As a result of re-routing or handling no liability will be assumed by *Vista*.

MATERIAL HANDLING TIPS

Shipping Inbound:

- **Advance To Warehouse** - ensure your shipment arrives by the deadline date **JANUARY 17, 2025** to avoid additional surcharges.
- **Direct to Show Site** - shipments will be received starting **JANUARY 26, 2025** during posted Exhibitor Move-in hours.
- Clearly mark your company name, booth number and **WEST 2025** on all labels.
- Material Handling is charged per shipment. To avoid multiple charges, ship all your pieces together.
- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Vista receiving multiple shipments.
- Make sure your shipment arrives with a certified weight ticket to help avoid Special Handling charges.

Storing Empty Containers:

- Pickup empty labels at the Vista Service Desk.
- Place a label on each container with your company name and booth number.
- Labeled containers will be picked up periodically and stored during the show.
- Once containers are placed in empty storage there will be no access to those containers.
- At the close of the show, the empty containers will be returned to your booth in random order.

Shipping Outbound:

- Schedule your carrier for pickup at the appropriate time if you are not shipping via the show carrier.
- Each individual shipment destination must have a completed Bill of Lading.
- Each piece must be individually labeled. Pre-printed shipping labels are available at the Vista Service desk.
- When materials are packed, labeled and ready to be shipped, bring the completed Bill of Lading to the Vista Service Desk.

Consolidate Your Shipment:

- Separate shipments received by Vista will not be combined. The minimum 200 lb. charge applies to each shipment received.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

SAMPLE:

1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

TOTAL cost of three shipments arriving separately: \$600.00

OR

3 pieces totaling 152 lbs @ 200 lb minimum x \$100.00 per CWT = \$200.00

TOTAL cost of one consolidated shipment: \$200.00 Savings of \$400.00

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Vista receiving multiple shipments.

LABOR GUIDELINES

We have provided these definitions to acquaint you with specific guidelines for labor. Trade shows, conventions and special events in this vicinity are governed by local union contracts. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to VISTA Convention Services.

MATERIAL HANDLING

The Teamsters union claims jurisdiction over the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may only move material that can be hand-carried by one person in one trip. Hand-carried is defined as small cartons, packages, or portable laptop computers that usually weight less than 30 pounds. This union claims jurisdiction under all other circumstances. No one, other than the official contractor's employees, is allowed to use dollies, hand trucks, or other mechanical equipment. This includes, but is not limited to, I&D, hotel, and facility employees.

VISTA Convention Services has the responsibility of receiving and handling all exhibit material and empty crates. It is our responsibility to manage the docks and schedule vehicles for the smooth and efficient move-in and move-out of the exposition. VISTA will not be responsible, however, for any material they do not handle.

BOOTH LABOR

The Decorators Union claim jurisdiction over all set-up and dismantling of exhibits including signs and carpet installation. This does not apply to the unpacking and placement of your merchandise (items produced by you for sales, scheduled for display in your booth, or literature describing same). Any installation of exhibits or displays which requires the use of hand tools, more than one person, longer than 30 minutes to install (including crating or uncrating), or exceeds ten feet in any direction, shall be installed by employees covered by the agreement.

SAFETY

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. VISTA cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed *Labor Order* form and the necessary ladders and tools will be provided.

GRATUITIES

VISTA Convention Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a VISTA supervisor. Employees of VISTA are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all VISTA employees.

IN GENERAL

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to VISTA management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of VISTA.
